

**Experience the Last Flight of the Hagerstown Aviation Museum's C-119 Flying Boxcar.**

This historic event was only possible by the generous contributions of over 450 individuals throughout the Hagerstown community and beyond.

This commemorative DVD highlights the C-119's donation by Bob Stanford in 2006, the extensive inspection and repair required to make the Flying Boxcar ready for its flight and the emotional Hagerstown Homecoming on November 16th, 2008.

This DVD captures the excitement of the long journey home with over 60 minutes of video footage and still images provided by over 20 volunteer videographers and photographers.
