NEW LOCAL HISTORY BOOK

Hagerstown During World War II

The story of Hagerstown During World War II is revealed with over <u>650 rare images</u>, many of which are seen here for the first time. With <u>370 pages</u>, the book's images will take you back like a visual time machine, to the days of blackout drills, rationing and long work hours defending our nation in its time of crisis. You will meet the people, tour the workplaces, and experience life in Hagerstown, Maryland during World War II.
